

**BOOO!**

appreciation cards for  
students and teachers  
from Ms. Fultz's Corner

“Boo” cards are fun ways to recognize your coworkers and your students for their hard work. Leave the card with a small treat on student or teacher desks, put them in staff mailboxes, or hang them in a small treat bag on someone's door.

You might choose to start the “Boo” chain and leave copies for coworkers to boo each other. Be sure to have them display their boo so everyone knows who has already had a turn. You can leave Halloween candy and treats or mix it up with funny trinkets too. It's so much fun to see what everyone gets!

I left these cards full-page size so you have a variety of printing options. You can use the “multiple page” printing options to make these cards smaller. To save printer ink, you can print the white version of the cards on colorful paper.

You've been boo'ed,  
but it's good you'll see...  
because you get  
this treat from me!

Thank you for being  
such an awesome coworker!
